

## Vansjø trail 6 km

Start at the Moss Hotell (SK/ Self-control 1) Go left around in *Dronningens gate* to the crossing *Torggata*. Walk over *Torggata* on the zebra crossing and walk right ahead to *Møllebyen*. Walk half right between *Løiten Lys* and *Lerke Bod* to the waterfall. (*Storebro*)

*(On the other side of the bridge you see a yellow house. "Konventionsgården" In this house was the convention between Norway, Denmark and Sweden signed in 1814, and with help of this convention Norway became an independent nation in 1905)*

(SK2 - Witch date are standing on top of the statue of Christian Fredrik)

Standing in front of the statue goes few meters right/back and then the first road up to the left. Uphill, hold left in first road cross and over the hill. Follow the path to the right. On parking lot *Myra* walk half left to an information sign. Go on the left side off this and under the main road and along the river to the asphalt path. Follow this to the left and over a bridge. You follow this path around *Labukta* and to *Krapfossveien*. Cross the road and go right and follow this to the first zebra crossing. Cross over and straight ahead in *Eikaveien* (True the bar)

(SK3- on a light post on the left side)

Follow *Eikaveien* to *Vålerveien*. Go to the right and past *Krapfossbrua* over the Moss River and hold to the right in the crossing and go ahead to the *Gubberogata*. (Third road to the left) Walk in *Gubberogata* straight ahead to *Klostergata*. And go over the street on the zebra crossing. And straight in *Fjellveien*, after kindergarten/70 meters go right to the City tower. (Built in 1920 - Moss city 200 year) Going left down on the path and too the right in *Fr. Nansens gate*. Take left in *Byfogd Sandbergs gate* in the end of this street go right in *Høyenhall / Fleischers gate*. And then left down in *Vogts gate* to the roundabout and left down in the tunnel. Then left and right down "Kirkegaten" to goal at Moss Hotell.

IVV stamps at: Moss Hotell

## Jeløya trail 12 km

From the Moss Hotell (SK/Self-control 1) you go right in *Rådhusgata*. Walk on the right side off the street and you came down in *Storgata*, follow the street to the railway crossing. Cross over the railway, follow *Jeløygata*, and take left up the footpath. Walk over the zebra crossing, and you are now on the canal bridge, walk over and take left down the staircase to the footpath along the canal. We are now coming to the statue "Norwegian Lady" Five meters before the statue take right to *Sjøgata*, along boat harbour, follow the road to the right curve, and you came to a road. Cross *Bråtengata*, take left, after ca 100 m, take left in *Chr Eriksensgate* and follow this to *Hasselbakken*, here we walk left, down to *Vårlistranda*. Here we walk right, and we walking true *Søly* boat harbour, to you came to *Strandpromenaden*, and follow the pavement on your left side, after ca 150 m, take the first footpath on your left side, and follow this to you came to a little path cross, take left, and you came to a stonewall with a signboard "Søndre Jeløy Landskapsvernområde". Follow the footpath in to the woods, after awhile, you came to a little red cottage on your left side. Walk out in the plain, and walk by the waterside, you must cross a little beck, and follow the waterside around *Reierbukta*. On another side of the bay, you find the footpath and you follow this to the next bay *Roligbukta*. Keep on following the footpath in to the woods, and when you coming to a path crossing with 2 green posts, follow the sign *Bredebukt Øst*, walk right ahead to *Bredebukt*, to the green post (SK/SelfControl 2) NB!! Don't walk to Rødåsen., but up on to the right, before the red post. Follow this footpath to Alby, Gallery F 15 (Art centre and cafe) walk around the house (House on your left side) and down the sand road with a stonewall on your right side, we walk true a green gate, and a red cottage on your right side, we walk ahead, and turn left in the forest road, and in the woods, walk up the hill, and almost at the top, we turn right, (mark with IVV) in a footpath. We came to a bar, with a house on your right side, and on your left side a football ground. (SK/SelfControl 3) Walk straight ahead, and we are coming out in *Bråtengata*, we pass *Jeløya Kurbad*, Follow *Bråtengata* all the way to the canal, turn left, and so to right over the bridge, by the zebra crossing, turn left and cross over, turn right and walk over the railway bridge, and follow the pavement to left in *Rådhusgata* crossing *Kirkegata* and go to the right up to the goal at Moss Hotell.
